

Seven Rivers Christian School Link to Parents Web

Parents Web is a great feature for Seven Rivers Christian School's parents. We think you will like it!

To access Parents Web:

1. From the SRCS website home page, click on the "RenWeb" tab in the upper right corner.
2. For the School ID enter: SR-FL. Submit.
3. Choose First-time Users.
4. Enter your email address. (In order to access Parents Web, each SRCS parent or student must have an email address documented at SRCS.)
5. Click on "New Parent Login".
6. Your password will be emailed to you within a few minutes. (It will be sent to the email address you entered, which must be the same email address that you provided the school.)
7. Go back to the first screen and type in your password to login.
8. Select "Continue" and change your password to make it your own.
9. Your students' assignments, grades and more can be found in either the "Classes" tab or under the "Student Information" tab. This brings up all classes for each of your children.

Parents Web has information on general school happenings, current and past newsletters, an events calendar and reminders. You have access to a school directory and a photo gallery. Your students' information is arranged by class or by date, and you have access to lesson plans, classroom procedures, and more.

On your family page, you can see your current account balance, so you will always know where you stand – by clicking on "details," you can see all the specific charges that make up each amount. You also have the ability to correct or change any of your family information through the "Family Demographic Form" – including your emergency contacts information. Please take the time to check out the information we have on file and make any changes – remember to SAVE your changes, and our files will be updated.

We encourage you to try all the links provided on Parents Web to see what is available to you. Let the office know if your student's class information is still incomplete at the end of September. If you have any questions, please email Flo Julias at: fjulias@sevenrivers.org
