

Headmaster E-mail

Seven Rivers Christian School

September 30, 2009

Dear Warriors,

SRCS is pleased to announce that senior **Harmin Jeong** has been named a Commended Student in the 2010 National Merit Scholarship Program. Commended Students placed in the top 5% of more than 1.5 million students who entered the 2010 competition and rank among some of the most academically talented students in our country.

With all of the flu talk - SRCS communicates daily with the Citrus County Health Department to ensure we are following the best protocol:

- Sending students home who present symptoms (i.e. fever)
- Isolation of sick students
- Keeping students home until fever free for 24 hours without medication

Following up with families to track illness

It is interesting to note that the absent rate for this month is consistent with the absent rate for the same period last year.

Last week students in the new robotics program travelled to south Georgia to participate in the Vex Robotics Idea Factory Conference.

At the Christian Schools of Florida Fall meetings last week, school leaders discussed emerging issues and opportunities facing our schools such as enrollment trends, virtual education, accreditation, and the emergence of charter schools. This legislative session promises to contain a number of matters regarding private education.

It has been awesome to see school spirit thrive with the addition of football. Our fans have been great in hitting the road and supporting the Warriors. Hope to see you at Hernando Christian on Friday.

Regarding the recent announcement that this will be the Satterlys' last year at SRCS ... We would love to know where God is sending us and while we trust that He knows, you can pray with us to wait patiently for His leading. It is our desire to finish well and we will work hard to ensure a great transition and to ensure that SRCS is well prepared for the next leader.

Blessings,

Joel
